Food Recommendations

This is a beautiful, medium bodied textural wine that goes really well with tapas style foods. Think Basque pintxos – anchovies, charcuterie, Iberian ham, squid ink risotto or chargrilled peppers. Also perfect for wood fired pizzas, olives and beautiful cheese.

WINEMAKING

Winemaking note

The wine is lightly oaked using old French barrels, allowing the wine oak for structure and balance, without imparting strong oak tannins. Sangiovese is typically a lighter style of red wine, early to release and easy to drink, which is why we bottle it young to retain those youthful, fresh, fruity characters.

Varietal composition 90% Sangiovese, 10% Shiraz

Alcohol 14.5
